

Following the success of the 1st International Myopia Society meeting in Paris and the 2nd meeting in Singapore, we are delighted to announce that Tokyo will host the 3rd International Myopia Society Meeting on June 19, 2026.

This important event will be organized by Professor Kyoko Ohno-Matsui, Department of Ophthalmology and Visual Science, Institute of Science Tokyo, and will bring together leading experts in the field of myopia from around the world.

The program will feature consensus discussions on myopia control and the management of myopia-related complications. Scientific sessions will include both invited and submitted presentations, addressing cutting-edge advances in myopia prevention, macular complications, optic neuropathy, and peripheral retinal changes, as well as exploring the link between preventive strategies and the development of complications.

Participants will have rich opportunities to interact with world-renowned experts and exchange ideas that shape the future of myopia care and research.

We warmly welcome your participation as a sponsor for this meaningful gathering. Please find below the available sponsorship opportunities and their associated benefits.

We look forward to your favorable response and would be happy to arrange a time to discuss the details further.

Warm regards,  
Professor Kyoko Ohno-Matsui  
Chair, 3rd International Myopia Society Meeting  
Department of Ophthalmology and Visual Science  
Institute of Science Tokyo
